

**MEMORANDUM OF AGREEMENT
BETWEEN
CENTRE OF HAZARD MITIGATION STUDIES
UNIVERSITY OF BENGKULU, INDONESIA
AND**

**CENTRE OF EXCELLENCE IN GEOTECHNICAL AND GEOENVIRONMENTAL
ENGINEERING
CHULALONGKORN UNIVERSITY, THAILAND**

Centre of Hazard Mitigation Studies, University of Bengkulu, Indonesia, and Centre of Excellence in Geotechnical and Geoenvironmental Engineering, Chulalongkorn University, Thailand, recognising the value and the benefit of research collaboration, establish through this agreement a commitment to cooperate and develop collaborative programmes.

OBJECTIVE

The objective of the cooperative relationship is to provide opportunities for both centres to organise educational programs through a research collaboration and a systematic exchange of academic and professional staff.

SECTION 1: GENERAL TERMS AND CONDITIONS

ARTICLE 1

Both centres will work to promote cooperative enterprises in all areas of common interests.

ARTICLE 2

The terms and conditions of specific cooperative project will be negotiated between two centres

ARTICLE 3

In general, programmes between two centres will be based on the principles of reciprocity managed under the Memorandum of Agreement between Centre of Hazard Mitigation Studies, University of Bengkulu, Indonesia, and Centre of Excellence in Geotechnical and Geoenvironmental Engineering, Chulalongkorn University, Thailand.

ARTICLE 4

This agreement, as well as chances of henceforth, will be undertaken based on the mutual consent.

ARTICLE 5

This agreement will become effective for an indefinite period when signed by the authorised representative(s) of both parties. This agreement may be terminated by either institution through official, written notification duly signed by presiding officer or the notifying party.

ARTICLE 6

Each centre will receive a signed original copy of the agreement in English.

ARTICLE 7

The coordinator unit of each centre will designate a representative to plan and organise a programme of activities implementing the agreement. These representatives will have the broadest possible latitude in drawing up the terms of the exchange, which shall then be subject to review and acceptance of the governing board of each institution.

SECTION 2: EXCHANGE OF ACADEMIC AND PROFESSIONAL STAFF

ARTICLE 8

Within 3 months prior to a staff exchange, the authorised representative of the host centre must approve the exchanged participants, the period of exchange, and any other condition governing the terms of the exchange.

ARTICLE 9

Cost of travel/transportation for exchanged participants will be warranted under the following conditions:

- Home centre of exchanged participants will be responsible for costs of participants' international travel
- The host institution will not be responsible for personal travel costs of exchanged participants.

ARTICLE 10

The home centre may consider paying staff for their customary salary while they are participants in the exchange programme.

ARTICLE 11

All exchanged participants must arrange comprehensive medical insurance, including coverage for accidental death or dismemberment, medical evaluation and repatriation. This matter will

be under responsibilities of the home centre. Documentation of insurance coverage must be submitted before exchange visits are approved. The faculty will be responsible for providing information on necessary medical coverage.

ARTICLE 12

The host centre will assist exchanged participants with accommodation in campus. If it is not available, the host faculty will designate staff members to help finding accommodation in the local community. The exchanged participants will pay for that accommodation.

SECTION 3: SPECIAL TERMS AND CONDITIONS

ARTICLE 13

Special efforts may be undertaken to arrange cooperative ventures comprising research projects, publications, and seminar.

ARTICLE 14

A plan for special activities that are undertaken will be developed by the designated representative at each faculty.

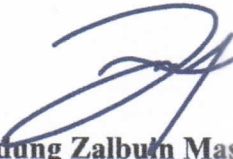

ARTICLE 15

Specific details for the implementation of these activities will be developed mutually by the designated representative of each centre

ARTICLE 16

The agreement will be in effect from the date of signing for a period of three (3) years. It shall be extended automatically for an additional period of three (3) years at each expiration date unless either party gives six-month advance notice in writing to terminate the agreement.
