Memorandum of Agreement (MOA)

In order to advance friendly relations between the USA and Indonesia, Columbus State University and University of Bengkulu, join in the following agreement on the promotion of education and academic exchanges between the two universities.

Both institutions will make every reasonable effort to encourage direct contact and research cooperation between their faculty members, departments, and research institutes, to the extent that they are able under provisions of this agreement, and endeavor to cooperate in the fields with which both parties are concerned.

Both universities agree on the following general forms of cooperation:

1. Joint research activities
2. Exchange of academic materials and academic publications
3. Exchange of faculty members for research, lectures, and discussion, including the hosting of Fulbright Scholars

Themes of joint activities and conditions for utilizing the results and arrangements for specific visits, exchanges and other forms of cooperation will be negotiated in writing for each specific case.

It is understood that the implementation of this agreement will commence on the date of last signature, below, and that this agreement will continue thereafter for five (5) years, subject from time to time to revision or modification by mutual agreement. Each Party shall have the right to elect early termination of the MOA upon submission of written notification to the partner institution ninety (90) days in advance of termination. The possibility and the terms of a renewal of the agreement will be discussed by the representatives of the two universities no less than six months prior to the natural termination of the current agreement.
